Gold Package - Benefits Summary

Benefit	Details
Emergency Medical Evacuation and Repatriation including evacuation	Covers medical treatment and repatriation expenses up to USD 500,000.
Follow Home Expenses	Reimbursement for treatment after repatriation for up to 90 days in the member's Country of Domicile. Excluding South Africa, Australia & USA.
Travel Expenses for Close Relatives	Accommodation and travel costs for relatives if hospitalization occurs outside the member's Country of Domicile for 7+ days (USD 10,000 per claim, USD 5,000 per relative).
Contractor Replacement Cost	Covers costs of replacing a member unable to work due to injury or illness (USD 500 per member per claim, USD 3,000 per event).
Post-Traumatic Stress Disorder Extension	Covers medical expenses for PTSD diagnosis and treatment up to USD 50,000.
War and Terrorism Coverage	Medical expenses related to injuries caused by war or terrorism, provided the member is not actively participating.
Funeral Expenses	Covers reasonable funeral expenses up to USD 5,000.
Dental Expenses	Covers dental expenses arising from accidental injury, up to USD 5,000 per claim.
Medical Expenses During Evacuation	Covers medical, surgical, and diagnostic expenses including transportation for treatment.
Kidnapping Medical Expenses	Compensation for medical expenses incurred due to kidnapping.
Political and Natural Disaster Evacuation	This benefit provides coverage for evacuation and associated costs up to \$1000 due to political or natural disasters. It includes transportation, accommodation, and other essential expenses, with exclusions related to legal violations, financial issues, and pre existing conditions. Excluding home country.
Emergency Event Coordination and Management	Comprehensive oversight and coordination of emergency situations, ensuring smooth and effective responses.
Remote Transportation/Search and Rescue	Safe and reliable transportation from remote areas to appropriate facilities.
Local Ground Assistance	On-the-ground support tailored to your needs during an emergency.
Rescue Services	Superior rescue services that go beyond municipal emergency response capabilities.
Emergency Extraction	Swift extraction from dangerous or life-threatening environments.
Locating and Retrieval	Specialized services to locate and rescue missing persons due to accidents or illnesses.
Pregnancy Coverage	Life-threatening complications covered during the first seven months of pregnancy with authorisation.
Coronavirus Coverage	Medical expenses covered for vaccinated individuals with WHO-approved vaccines, subject to evidence of full vaccination.
Accompaniment for Minors	Covers travel costs for an adult family member to accompany a dependent child under 21 during evacuation if the adult is also on the evacuation scene.
Companion Travel	Covers reasonable transportation costs for a companion to travel or remain with the member during evacuation for medical reasons if they are also on the scheme.
Medical Practitioner Certification	Evacuation or repatriation provided when certified necessary by a qualified medical practitioner due to inadequate local treatment facilities or expedited recovery.
